Texas Medicaid Fee Schedule Information
CLINICAL DIAGNOSTIC LABORATORY

Field Descriptions

Number of Panel Tests: The Automated Test Panel (ATP) fee for the total number of automated tests that are billed for the client for the same date of service.

Current Rate: The Medicaid allowed amount.

Adjusted Rate: A percentage reduction has been applied to the allowed fee for this service. This column does not show reductions that may have been applied using other criteria that include but are not limited to place of service, client type program, or provider specialty. Additional information about rate changes is available on the TMHP website at www.tmhp.com.

Short Description: Auto Testing Panels.

Change Ind: Indicator denoting that the Fee Schedule row has been added/updated since the last run. 'C' for change; blank for no changes.

The reimbursement for the complete panel procedure code represents the total payment for all automated laboratory tests that are covered under that panel combined with any other automated tests that are billed for the client for the same date of service. The Texas Medicaid allowable fee for the individual components of the complete laboratory panel will not exceed the automated test panel (ATP) fee for the total number of automated tests that are billed for the client for the same date of service.
